

## reminder

With our hybrid work model, it is important that employees code their correct locations on timesheets as follows:

**For Regular time, please select the correct option for the "Location":**

- Home
- MassTech Location – on site in Westboro or Boston
- Other – if you attended any offsite meetings, trainings, events, etc.

**For any Paid Leave time, the location is always "Other"**

### Example

Pay Type	Pay Code	Charge Code	Location	Total
Earnings	R-REGULAR	FY22-Fife	Home	68
Earnings	R-REGULAR	FY22-Fife	MassTech L...	8
Paid Leave	V-EARNEDT...	FY22-Fife	Other	4

## MassTech has jobs posted and you can be rewarded for your referral!

If you have someone in mind that you think would be well-suited for any of our open positions, urge them to apply and earn \$500 while doing so with our Employee Referral Program!

Contact HR for any questions.

# “MeHI, Lever Announce Finalists for the first Massachusetts Digital Health COVID-19 Recovery Challenge”

MeHI and their partner Lever announced the eight finalists for the first Massachusetts Digital Health COVID-19 Recovery Challenge, a new program meant to identify and grow digital health tools that will help drive economic recovery from the pandemic.

The Challenge is focused on finding solutions to help unpaid family caregivers manage caregiving tasks that were exacerbated by the pandemic and more easily return to work.

The program is sponsored by MeHI and supported by funding from the U.S. Department of Commerce's Economic Development Administration and the SPRINT Challenge Grant program.

**Do you have any MassTech news that you think may be of interest to our staff? It could be MassTech History, Campus Information, Program Information or even Employee shout-outs!**

**Please e-mail [Katie](#)**

**Also, a very special thank you to the Research & Communications Team for always providing up-to-date MassTech coverage for us!**

Thank you!

A neon sign is displayed against a dark brick wall. The word "Stay" is written in a cursive script using pink neon tubing. Below it, the word "TUNED" is written in a bold, blocky, sans-serif font using blue neon tubing. The sign has a glowing effect, casting a soft light on the wall behind it.

**Stay  
TUNED**
